

Label Information

The Spectrum label presents technical and safety information in an easily understood format. Our technical specialists stay abreast of the latest requirements of the Globally Harmonized System for Classification and Labelling of Chemicals (GHS), as well as the Occupational Safety and Health Administration (OSHA), the Food and Drug Administration (FDA) and other government regulatory agencies in order to ensure compliance, accuracy and concise hazard communication. Below you will find a typical label example for this catalog item.

<p>Exp. Date: 00-00-0000</p>  <p>1 2 3 4 5 6 7 8 9 0</p>	<p>DANGER</p> <ul style="list-style-type: none">• Toxic if swallowed • Causes serious eye irritation • Causes skin irritation • May cause respiratory irritation.• Do not eat, drink or smoke when using this product • Wear protective gloves, eye protection, face protection • Avoid breathing dust • Use only outdoors or in a well-ventilated area • Wash face, hands and any exposed skin thoroughly after handling. <p>FIRST AID: Immediately call a POISON CENTER or physician.
