

Label Information

The Spectrum label presents technical and safety information in an easily understood format. Our technical specialists stay abreast of the latest requirements of the Globally Harmonized System for Classification and Labelling of Chemicals (GHS), as well as the Occupational Safety and Health Administration (OSHA), the Food and Drug Administration (FDA) and other government regulatory agencies in order to ensure compliance, accuracy and concise hazard communication. Below you will find a typical label example for this catalog item.

<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Retest Date: 00-00-0000</p> 		<p>DANGER</p> <p>• Causes severe skin burns and eye damage • Flammable liquid and vapor • Toxic in contact with skin • May be harmful if swallowed.</p> <p>• Keep away from heat, sparks, open flames, hot surfaces • No smoking • Ground container and receiving equipment • Use explosion-proof equipment • Use only non-sparking tools • Take precautionary measures against static discharge • Wear protective gloves, protective clothing, eye protection, face protection • Do not breathe mist or vapors • Use only outdoors or in a well-ventilated area • Wash face, hands and any exposed skin thoroughly after handling.</p> <p>FIRST AID: Immediately call a POISON CENTER or physician.
