

Label Information

The Spectrum label presents technical and safety information in an easily understood format. Our technical specialists stay abreast of the latest requirements of the Globally Harmonized System for Classification and Labelling of Chemicals (GHS), as well as the Occupational Safety and Health Administration (OSHA), the Food and Drug Administration (FDA) and other government regulatory agencies in order to ensure compliance, accuracy and concise hazard communication. Below you will find a typical label example for this catalog item.

<p>Exp. Date: 00-00-0000</p> 	<p>DANGER</p> <ul style="list-style-type: none"> • Toxic if swallowed • Causes eye irritation • May cause an allergic skin reaction. • Do not eat, drink or smoke when using this product • Wear protective gloves • Avoid breathing dust • Wash face, hands and any exposed skin thoroughly after handling • Contaminated work clothing must not be allowed out of the workplace. <p>FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes.
