

Spectrum Chemical Mfg. Corp. Announces U.S. Distribution Agreement with Cole-Parmer

The distribution agreement combines Spectrum's expansive portfolio of fine chemicals with Cole-Parmer's brand leadership in lab equipment.

NEW BRUNSWICK, NJ – September 20, 2017 – [Spectrum Chemical Mfg. Corporation](#), a leading global manufacturer and distributor of fine chemicals, laboratory equipment and supplies, announced today a new U.S. distribution agreement with [Cole-Parmer](#).

“The addition of Cole-Parmer to our distribution network adds laboratory instrument expertise and brand strength to our portfolio,” said Randy Burg, President and CEO of Spectrum Chemical Mfg. Corp. “Spectrum chooses to partner with companies that share our high standards of quality, safety and exceptional customer service. Cole-Parmer is a worldwide leader in laboratory instrumentation, and we are proud to have them represent our fine chemicals.”

“We are very excited at the opportunity to partner with Spectrum Chemical,” said Brian Buzinski, Director, Lab Essentials Business Unit, Cole Parmer. “As a trusted name in quality chemicals for more than four decades, we are happy to now offer Spectrum products to Cole-Parmer's customers.”

About Spectrum Chemical Mfg. Corp.

Spectrum Chemical Mfg. Corp., established in 1971, is one of the best known chemical companies in the USA. Spectrum manufactures and distributes the largest offering of USP chemicals in the world, including laboratory, scale up and bulk quantities. The company provides fine chemicals, equipment and supplies to a wide range of industries. Bicoastal cGMP facilities are FDA registered and inspected, with additional certification to the ISO 9001:2015 standard. Spectrum is known for extensive laboratory testing with the highest standards and most modern instrumentation in the industry in both its New Jersey and California laboratories. The company's extensive scientific documentation provides the change control needed for the quality-driven industries Spectrum serves. Spectrum is committed to providing customers the highest quality products with the best service at a competitive price. For more information, visit www.spectrumchemical.com.
