# D/E Neutralizing Broth without Tween

Revision 2 Revision date 2019-06-17

|                                     | Revision date 2019-06  |
|-------------------------------------|--|
| SECTION 1: Identification of        | of the substance/mixture and of the company/undertaking  |
| 1.1. Product identifier             |  |
| Product name                        | D/E Neutralizing Broth without Tween   |
| Product code                        | NCM0121, 7562  |
| 1.2. Relevant identified uses of    | f the substance or mixture and uses advised against  |
| Product Use                         | [SU3] Industrial uses: Uses of substances as such or in preparations at industrial sites; [PROC15]   |
| D                                   | Use as laboratory reagent;   |
| Description                         | Intended for laboratory use only.  |
| 1.3. Details of the supplier of the | ne safety data sheet   |
| Company                             | Neogen Corporation   |
| Address                             | 620 Lesher Place   |
|                                     | Lansing MI 48912   |
| <b>NA7</b> 1                        | USA  |
| Web                                 | www.neogen.com   |
| Telephone                           | 517-372-9200/800-234-5333  |
| Email                               | SDS@neogen.com   |
| 1.4. Emergency telephone nun        | nber   |
| Emergency telephone number          | 1-800-234-5333   |
| Further information                 |  |
| Manufactured By:                    | Neogen Corporation   |
|                                     | 740 East Shiawassee  |
|                                     | Lansing, MI 48912 U.S.A.   |
|                                     | Neogen Corporation   |
|                                     | 1 Quest Park-Moss Hall Road  |
|                                     | Heywood Lancashire BL97JJ UK.  |
| Hotline(s):                         | Medical: United States (1-800-498-5743), International (1-651-523-0318).   |
|                                     | Spill/CHEMTREC: United States (1-800-424-9300), International (1-703-527-3887).  |
| SECTION 2: Hazards ident            | ification  |
| 2.1. Classification of the substa   | ance or mixture  |
| 2.1.2. Classification - GHS         | Acute Tox. 4: H302; Acute Tox. 4: H312; Eye Dam. 1: H318; Resp. Sens. 1: H334; STOT SE 3: H335;  |
| 2.2. Label elements                 |  |
|                                     | P101 - If medical advice is needed, have product container or label at hand. P102 - Keep out of reach of children. P501 - Dispose of contents/container to an appropriate waste site or reclaim (i |

## 2.2. Label elements

|                                 | accordance with local/regional/national/international regulation).  |
|---------------------------------|---|
| Hazard pictograms               |   |
| Signal Word                     | Danger  |
| Hazard Statement                | Acute Tox. 4: H302 - Harmful if swallowed.  |
|                                 | Acute Tox. 4: H312 - Harmful in contact with skin.  |
|                                 | Eye Dam. 1: H318 - Causes serious eye damage.   |
|                                 | Resp. Sens. 1: H334 - May cause allergy or asthma symptoms or breathing difficulties if inhaled.  |
|                                 | STOT SE 3: H335 - May cause respiratory irritation.   |
| Precautionary Statement:        | P261 - Avoid breathing dust/fume/gas/mist/vapours/spray.  |
| Prevention                      | P264 - Wash thoroughly after handling.  |
|                                 | P270 - Do no eat, drink or smoke when using this product.   |
|                                 | P271 - Use only outdoors or in a well-ventilated area.  |
|                                 | P280 - Wear protective gloves/protective clothing/eye protection/face protection.   |
| Decree discourse Of all seconds | P284 - [In case of inadequate ventilation] wear respiratory protection.   |
| Precautionary Statement:        | P301+P312 - IF SWALLOWED: Call a POISON CENTER/doctor/ /if you feel unwell.   |
| Response                        | P302+P352 - IF ON SKIN: Wash with plenty of water/ . P304+P340 - IF INHALED: Remove person to fresh air and keep comfortable for breathing. |
|                                 | P305+P351+P338 - IF IN EYES: Rinse cautiously with water for several minutes. Remove contact  |
|                                 | lenses, if present and easy to do. Continue rinsing.  |
|                                 | P310 - Immediately call a POISON CENTER/doctor/ .   |
|                                 | P330 - Rinse mouth.   |
|                                 | P342+P311 - If experiencing respiratory symptoms: Call a POISON CENTER/doctor/ .  |
| Precautionary Statement:        | P403+P233 - Store in a well-ventilated place. Keep container tightly closed.  |
| Storage                         | P405 - Store locked up.   |
| Precautionary Statement:        | P501 - Dispose of contents/container to an approved hazardous/special waste disposal facility in  |
| Disposal                        | accordance with local and national regulations  |
| 2.3. Other hazards              |   |

| 2.5. Other hazards |  |
|--------------------|--|
| Other hazards      | This product is not identified as a PBT substance. |

## SECTION 3: Composition/information on ingredients

## 3.2. Mixtures

## EC 1272/2008

Exposure Limit Values. See section 8 for further information.

## Description

Concentrations listed are not product specifications.

Revision 2 Revision date 2019-06-17

|                                    | Revision date 2019-06-17   |
|------------------------------------|--|
| Further information                |  |
|                                    | Full text of Hazard Statements listed in this Section is provided in Section 16.   |
| SECTION 4: First aid measu         | res  |
| 4.1. Description of first aid meas | eures  |
| Inhalation                         | In case of accident by inhalation: remove casualty to fresh air and keep at rest.  |
| Eye contact                        | Contact lenses should be removed. Rinse immediately with plenty of water for 15 minutes holding                                |
|                                    | the eyelids open. Risk of serious damage to eyes. Seek medical attention.  |
| Skin contact                       | After contact with skin, take off immediately all contaminated clothing, and wash immediately with plenty of water.            |
| Ingestion                          | Keep the affected person warm and at rest. DO NOT INDUCE VOMITING unless advised to do so by a doctor. Rinse mouth thoroughly. |
| 4.2. Most important symptoms a     | nd effects, both acute and delayed   |
| Inhalation                         | May cause irritation to respiratory system. May cause sensitization by inhalation.   |
| Eye contact                        | Risk of serious damage to eyes.  |
| Skin contact                       | Harmful in contact with skin. May cause irritation to skin.  |
| Ingestion                          | Harmful if swallowed. Ingestion may cause nausea and vomiting.   |
|                                    | medical attention and special treatment needed   |
| Inhalation                         | Seek medical attention if irritation or symptoms persist.  |
| Eye contact                        | Seek medical attention.  |
| Skin contact                       | Seek medical attention if irritation or symptoms persist.  |
| Ingestion                          | If you feel unwell, seek medical advice (show the label where possible).   |
| SECTION 5: Firefighting mea        | asures   |
| 5.1. Extinguishing media           |  |
|                                    | Use as appropriate: Carbon dioxide (CO2), Alcohol resistant foam, Powder.  |
| 5.3. Advice for firefighters       | 1 000 at appropriate. Carson alonate (002), risono resistant carri, richasin   |
|                                    | In case of fire and/or explosion do not breathe fumes. Wear suitable respiratory equipment when                                |
|                                    | necessary. Wear suitable protective clothing, gloves and eye/face protection.  |
| SECTION 6: Accidental relea        | ase measures   |
| 6.1. Personal precautions, prote   | ctive equipment and emergency procedures   |
|                                    | Avoid raising dust. Wear suitable protective clothing, gloves and eye/face protection.   |
| 6.2. Environmental precautions     |  |
|                                    | Do not empty into drains; dispose of this material and its container in a safe way.  |
| 6.3. Methods and material for co   | ontainment and cleaning up   |
|                                    | Avoid raising dust. Sweep up. Dispose of in compliance with all local and national regulations.                                |
| 6.4. Reference to other sections   |  |
|                                    | See section 8 & 13 for further information.  |
| SECTION 7: Handling and st         | torage   |
| 7.1. Precautions for safe handling |  |
|                                    | Do not eat, drink or smoke in areas where this product is used or stored. Wash hands after                                     |

Revision 2
Revision date 2019-06-17

## 7.2. Conditions for safe storage, including any incompatibilities

Store at temperatures between 2 °C and 8 °C. Keep only in the original container. Keep container tightly closed. Protect from sunlight.

## 7.3. Specific end use(s)

See section 1.2 for further information.

## SECTION 8: Exposure controls/personal protection

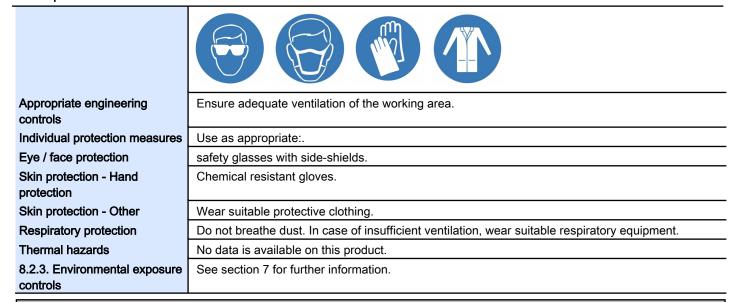

## 8.1. Control parameters

Exposure above the recommended occupational exposure limit (OEL) may cause adverse health effects.

## **Exposure Limit Values**

# SECTION 11: Toxicological information

| 11.1. Information on toxicological effects | 11.1. | Information | on toxico | logical | effects |
|--|-------|-------------|-----------|---------|---------|
|--|-------|-------------|-----------|---------|---------|

| 11.1. Information on toxicologica  | al effects   |
|------------------------------------|--|
| Acute toxicity                     | Harmful in contact with skin and if swallowed. See section 3 for further information.  |
| Skin corrosion/irritation          | May cause irritation to skin. See section 3 for further information.   |
| Serious eye damage/irritation      | Causes serious eye damage. Causes severe inflammation and may damage the cornea. See section 3 for further information.  |
| Respiratory or skin sensitisation  | May cause sensitization by inhalation. May cause allergic reactions in susceptible people. See section 3 for further information.  |
| Germ cell mutagenicity             | No data is available on this product.  |
| Carcinogenicity                    | Not found to be a potential carcinogen in the International Agency for Research on Cancer (IARC) Monographs, Volumes 1-122.  Not listed in the National Toxicology Program (NTP) 14th Report on Carcinogens.  Not listed in the OSHA standard 1910.1003 Carcinogens. |
| Reproductive toxicity              | No data is available on this product.  |
| STOT-single exposure               | May cause allergy or asthma symptoms or breathing difficulties if inhaled.   |
| STOT-repeated exposure             | No data is available on this product.  |
| Aspiration hazard                  | No data is available on this product. See section 3 for further information.   |
| Repeated or prolonged exposure     | Avoid prolonged or repeated exposure.  |
| 11.1.2. Mixtures                   |  |
|                                    | See section 3 for further information.   |
| 11.1.3. Hazard Information         | ·  |
|                                    | See section 3 for further information.   |
| 11.1.4. Toxicological information  | 1  |
|                                    | No data available  |
|                                    | No data is available on this product.  |
| 11.1.5. Hazard Class               | T  |
|                                    | See section 2 for further information.   |
| 11.1.6. Classification Criteria    |  |
|                                    | See section 2 for further information.   |
| 11.1.7. Information on likely rout | tes of exposure  |
|                                    | Skin contact. Inhalation.  |
| 11.1.8. Symptoms related to the    | physical, chemical and toxicological characteristics   |
|                                    | No data is available on this product.  |
| 11.1.9. Delayed and immediate      | effects as well as chronic effects from short and long-term exposure   |
|                                    | No data is available on this product.  |

Revision date 2019-06-17

#### 14.5. Environmental hazards

The product is not classified as dangerous for carriage.

## 14.6. Special precautions for user

The product is not classified as dangerous for carriage.

## 14.7. Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code

The product is not classified as dangerous for carriage.

## SECTION 15: Regulatory information

## 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

## Regulations

Hazard Communication Standard: 29 Code of Federal Regulations 1910.1200: Occupational Safety and Health Standards: Z: Toxic and Hazardous Substances: Hazard Communication.

All chemicals in this product are TSCA listed or excluded from listing, on the United States Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory. TSCA - United States Toxic Substances Control Act Section 8(b) Inventory.

## 15.2. Chemical safety assessment

No data is available on this product.
