# SAFETY DATA SHEET

Revision date 11-June-2021

| 1. Identification  |                                       |
|--|---------------------------------------|
| Product identifier   |                                       |
| Product Name   | MOLYBDENUM ATOMIC ABSORPTION STANDARD |
| Other means of identification  |                                       |
| Product Code(s)  | AA235                                 |
| Synonyms   | None                                  |
| Recommended use of the chemica   | I and restrictions on use             |
| Recommended use  | No information available              |
| Restrictions on use  | No information available              |
| Details of the supplier of the safety  | <u>/ data sheet</u>                   |
| Supplier Address<br>Spectrum Chemical Mfg. Corp.<br>14422 South San Pedro St.<br>Gardena, CA 90248<br>(310) 516-8000 |                                       |
| Emergency telephone number   |                                       |
| Emergency Telephone  | Chemtrec 1-800-424-9300               |

# 2. Hazard(s) identification

## **Classification**

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

## Hazards not otherwise classified (HNOC)

Not applicable

## Label elements

## Hazard statements

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

The product contains no substances which at their given concentration, are considered to be hazardous to health.

Appearance Clear

Physical state Liquid

Revision Number 1

Other information No information available.

# 3. Composition/information on ingredients

## Substance

Not applicable.

## <u>Mixture</u>

| Chemical name                   | CAS No     | Weight-% | Trade secret |
|---------------------------------|------------|----------|--------------|
| Water                           | 7732-18-5  | 99.05    | *            |
| Ammonia                         | 7664-41-7  | 0.75     | *            |
| Ammonium Molybdate Tetrahydrate | 12027-67-7 | 0.2      | *            |

\*The exact percentage (concentration) of composition has been withheld as a trade secret.

## 4. First-aid measures

## **Description of first aid measures**

| Inhalation   | Remove to fresh air.   |  |
|--|--|--|
| Eye contact  | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician. |  |
| Skin contact   | Wash skin with soap and water.   |  |
| Ingestion  | Clean mouth with water and drink afterwards plenty of water.   |  |
| Most important symptoms and effects, both acute and delayed                |  |  |
| Symptoms   | No information available.  |  |
| Indication of any immediate medical attention and special treatment needed |  |  |
| Note to physicians   | Treat symptomatically.   |  |
|  |  |  |
| 5. Fire-fighting measures  |  |  |
| Outrable Future induition Madia  | Line autinguishing measures that are apprepriate to least sireumstances and the                                      |  |

| Suitable Extinguishing Media<br>Large Fire        | Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.<br>CAUTION: Use of water spray when fighting fire may be inefficient. |
|---|---|
| Unsuitable extinguishing media                    | Do not scatter spilled material with high pressure water streams.   |
| Specific hazards arising from the chemical        | No information available.   |
| Explosion data<br>Sensitivity to mechanical impac | t none.   |

Sensitivity to static discharge none. Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear. Use personal protection equipment.

## 6. Accidental release measures

Personal precautions, protective equipment and emergency procedures

Personal precautions Ensure adequate ventilation.

Methods and material for containment and cleaning up

| Methods for containment | Prevent further leakage or spillage if safe to do so. |
|-------------------------|---|
| Methods for cleaning up | Pick up and transfer to properly labeled containers.  |

| 7. Handling and storage            |  |
|------------------------------------|--|
| Precautions for safe handling      |  |
| Advice on safe handling            | Handle in accordance with good industrial hygiene and safety practice. |
| Conditions for safe storage, inclu | ding any incompatibilities   |
| Storage Conditions                 | Keep container tightly closed in a dry and well-ventilated place.      |

# 8. Exposure controls/personal protection

## Control parameters

Exposure Limits

| Chemical name | ACGIH TLV         | OSHA PEL     | NIOSH IDLH   |
|---------------|-------------------|--------------|--------------|
| Ammonia       | No data available | 50 ppm TWA   | 300 ppm IDLH |
| 7664-41-7     |                   | 35 mg/m³ TWA |              |

## Appropriate engineering controls

| Engineering controls                | Showers<br>Eyewash stations<br>Ventilation systems.  |
|-------------------------------------|--|
| Individual protection measures, suc | ch as personal protective equipment  |
| Eye/face protection                 | No special protective equipment required.  |
|                                     |  |
| Skin and body protection            | No special protective equipment required.  |
| Respiratory protection              | No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required. |
| General hygiene considerations      | Handle in accordance with good industrial hygiene and safety practice.   |

# 9. Physical and chemical properties

| Information on basic physical and chemical properties |  |                  |  |  |
|---|--|------------------|--|--|
| Physical state  | Liquid   |                  |  |  |
| Appearance  | Clear  |                  |  |  |
| Color   | Colorless  |                  |  |  |
| Odor  | Ammonia  |                  |  |  |
| Odor threshold  | No information available                             |                  |  |  |
|   |  |                  |  |  |
| Property_   | Values   | Remarks • Method |  |  |
| рН  | no data available                                    | None known       |  |  |
| Melting point / freezing point                        | no data available                                    | None known       |  |  |
| Boiling point / boiling range                         | no data available                                    | None known       |  |  |
| Flash point   | no data available                                    | None known       |  |  |
| Evaporation rate                                      | no data available                                    | None known       |  |  |
| Flammability (solid, gas)                             | no data available                                    | None known       |  |  |
| Flammability Limit in Air                             |  | None known       |  |  |
| Upper flammability or explosive                       | No data available                                    |                  |  |  |
| limits  |  |                  |  |  |
| Lower flammability or explosive                       | No data available                                    |                  |  |  |
| limits  |  |                  |  |  |
| Vapor pressure  | No data available                                    | None known       |  |  |
| Vapor density   | no data available                                    | None known       |  |  |
| Relative density                                      | no data available                                    | None known       |  |  |
| Water solubility                                      | Miscible in water                                    | None known       |  |  |
| Solubility(ies)                                       | no data available                                    | None known       |  |  |
| Partition coefficient                                 | No data available                                    | None known       |  |  |
| Autoignition temperature                              | no data available                                    | None known       |  |  |
| Decomposition temperature                             |  | None known       |  |  |
| Kinematic viscosity                                   | no data available                                    | None known       |  |  |
| Dynamic viscosity                                     | No data available                                    | None known       |  |  |
|   |  |                  |  |  |
| Other information                                     | No information available                             |                  |  |  |
| Explosive properties                                  | No information available                             |                  |  |  |
| Oxidizing properties                                  |  |                  |  |  |
| Softening point                                       | No information available<br>No information available |                  |  |  |

| VOC Content (%)                                       | No information available                             |                  |  |  |
| Liquid Density<br>Bulk density                        | No information available                             |                  |  |  |
| Durk defisity   |  |                  |  |  |

# 10. Stability and reactivity

| Reactivity                         | No information available.                 |
|------------------------------------|---|
| Chemical stability                 | Stable under normal conditions.           |
| Possibility of hazardous reactions | None under normal processing.             |
| Conditions to avoid                | None known based on information supplied. |
| Incompatible materials             | None known based on information supplied. |
| Hazardous decomposition products   | None known based on information supplied. |

# 11. Toxicological information

Information on likely routes of exposure

Inhalation

Specific test data for the substance or mixture is not available.

Eye contact Specific test data for the substance or mixture is not available.

## Skin contact

Specific test data for the substance or mixture is not available.

Ingestion Specific test data for the substance or mixture is not available.

## Symptoms related to the physical, chemical and toxicological characteristics

Symptoms No information available.

Acute toxicity

Numerical measures of toxicity

## **Component Information**

| Chemical name                                    | Oral LD50         | Dermal LD50 | Inhalation LC50     |
|--|-------------------|-------------|---------------------|
| Water<br>7732-18-5                               | 90 mL/kg (Rat)    | -           | -                   |
| Ammonia<br>7664-41-7                             | = 350 mg/kg (Rat) | -           | = 2000 ppm (Rat)4 h |
| Ammonium Molybdate<br>Tetrahydrate<br>12027-67-7 | = 333 mg/kg (Rat) | -           | -                   |

## Delayed and immediate effects as well as chronic effects from short and long-term exposure

| Skin corrosion/irritation<br>Serious eye damage/eye irritation<br>Respiratory or skin sensitization<br>Germ cell mutagenicity | No information available.<br>No information available.<br>No information available.<br>No information available. |
|---|--|
| Reproductive toxicity   | No information available.  |
| STOT - single exposure<br>STOT - repeated exposure<br>Aspiration hazard   | No information available.<br>No information available.<br>No information available.                              |
| Other adverse effects   | No information available.  |
| Interactive effects   | No information available.  |

# 12. Ecological information

## Ecotoxicity

| Chemical name        | Algae/aquatic plants | Fish  | Toxicity to<br>microorganisms | Crustacea                               |
|----------------------|----------------------|---|-------------------------------|---|
| Ammonia<br>7664-41-7 | -                    | LC50: 0.26 - 4.6mg/L<br>(96h, Lepomis<br>macrochirus) LC50: 0.73<br>- 2.35mg/L (96h,<br>Pimephales promelas)<br>LC50: =0.44mg/L (96h,<br>Cyprinus carpio) LC50:<br>=1.17mg/L (96h, Lepomis<br>macrochirus) LC50:<br>=1.19mg/L (96h, Poecilia<br>reticulata) LC50:<br>=5.9mg/L (96h,<br>Pimephales promelas)<br>LC50: >1.5mg/L (96h,<br>Poecilia reticulata) |                               | LC50: =25.4mg/L (48h,<br>Daphnia magna) |

**Bioaccumulation** 

Inherently biodegradable.

## **Component Information**

| Chemical name | Partition coefficient |
|---------------|-----------------------|
| Ammonia       | -1.14                 |
| 7664-41-7     |                       |

Other adverse effects

No information available.

# 13. Disposal considerations

## Waste treatment methods

| Waste from residues/unused<br>products | Dispose of in accordance with local regulations. Dispose of waste in accordance with environmental legislation. |
|--|---|
| Contaminated packaging                 | Do not reuse empty containers.  |

# 14. Transport information

| DOT        | not regulated |
|------------|---------------|
| TDG        | not regulated |
| <u>MEX</u> | not regulated |
| ICAO (air) | not regulated |
| IATA       | not regulated |
| IMDG       | not regulated |
| RID        | not regulated |
| ADR        | not regulated |
| ADN        | not regulated |

# 15. Regulatory information

### **US Federal Regulations**

### **SARA 313**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product contains a chemical or chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

| Chemical name       | SARA 313 - Threshold Values % |
|---------------------|-------------------------------|
| Ammonia - 7664-41-7 | 1.0                           |

## SARA 311/312 Hazard Categories

Should this product meet EPCRA 311/312 Tier reporting criteria at 40 CFR 370, refer to Section 2 of this SDS for appropriate classifications.

## **CWA (Clean Water Act)**

This product contains the following substances which are regulated pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

| Chemical name        | CWA - Reportable<br>Quantities | CWA - Toxic Pollutants | CWA - Priority Pollutants | CWA - Hazardous<br>Substances |
|----------------------|--------------------------------|------------------------|---------------------------|-------------------------------|
| Ammonia<br>7664-41-7 | -                              | -                      | -                         | Present                       |

## **CERCLA**

This material, as supplied, contains one or more substances regulated as a hazardous substance under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302).

| Chemical name | Hazardous Substances RQs | Extremely Hazardous Substances RQs |
|---------------|--------------------------|------------------------------------|
| Ammonia       | 100 lb final RQ          | -                                  |
| 7664-41-7     | 45.4 kg final RQ         |                                    |

## US State Regulations

#### **California Proposition 65**

This product does not contain any Proposition 65 chemicals.

## **U.S. State Right-to-Know Regulations**

This product does not contain any substances regulated under applicable state right-to-know regulations

## U.S. EPA Label Information
